To Whom it May Concern:

I am writing this letter of recommendation on behalf of Thomas Camier. I had the pleasure of working with Thomas from 2018-2021, where Thomas competed at the highest levels of youth soccer: USSDA, now MLS-Next.

Thomas in my opinion is an NCAA D1 caliber student-athlete. I say this having an understanding of the level of play, having served as an assistant coach at Cal (Pac-12) and San Jose State (WAC). During my time with Thomas he served as an integral part of the team's collective development, solidifying a midfield role for himself. As a midfielder (6/8) he gave a tremendous level of output both in and out of possession, a fighter for team and club. His simple & effective technical/tactical abilities allowed for Thomas to not only survive but excel against some of the nation's top players & teams.

Soccer abilities aside, Thomas is a kind, superb young man who display's both respect and compassion towards teammates, coaching staff, referee's and even opponents.

I believe Thomas can be an asset to any NCAA D1 Academic Institution.

If you have any further questions, please feel free to reach out anytime.

Sincerely,

Billal Samy
